KICK'S MISSION

At KICK, we are motivated to respond to a sense of hopelessness in many young people today as 1/3 of young people aged 15 identify with a mental health condition, 2million grow up without a father at home, many are disconnected from local communities with 95% now not attending church. We aspire to see a generation of young people who will reach their God given potential; where communities have been socially impacted; and where spiritual change has transformed a nation. Our mission is to **transform young people's lives, with God's love, through sport and support**. We do this through values-driven physical education, street dance, mentoring, chaplaincy in schools and community KICK Academies to impact a sense of hopelessness and give them a hope for the future and a joy in the present.

KICK work in Infant, Junior, Primary, Secondary, Pupil Referral Units, Private and Special Schools to deliver the following services with Christian values embedded throughout every session:

- PE National Curriculum
- Transformational Street Dance
- Solutions Focused Mentoring
- Schools based Chaplaincy

In all that we do we seek to live out our values to encourage young people to be *aspirational*, to be *compassionate* in all circumstances, to deliver *excellent* quality sessions, and to be *intentional* in building relationships and sharing the Gospel with young people every day and to show *integrity* in our decision making at all times. KICK is a growing charity currently working with over 100 schools and have established 30 KICK Academies across the UK. Our staff team has more than doubled over the last 3 years with KICK now employing over 90 staff. As an organisation we are engaging with over 28,000 young people every week and come closer to achieving our vision to reach a generation of young people, within a generation of time.
