KICK'S MISSION

At KICK, we are motivated to respond to a sense of hopelessness in many young people today as 1/3 of young people aged 15 identify with a mental health condition, 2million grow up without a father at home, many are disconnected from local communities with 95% now not attending church. We aspire to see a generation of young people who will reach their God given potential; where communities have been socially impacted; and where spiritual change has transformed a nation. Our mission is to **transform young people's lives, with God's love, through sport and support**. We do this through values-driven physical education, street dance, mentoring, chaplaincy in schools and community KICK Academies to impact a sense of hopelessness and give them a hope for the future and a joy in the present.

KICK work in Infant, Primary, Secondary, Pupil Referral Units, Private and Special Schools to deliver the following services with Christian values embedded throughout every session:

- PE National Curriculum
- Transformational Street Dance
- Solutions Focused Mentoring
- Schools based Chaplaincy

In all that we do we seek to live out our values to encourage young people to be *aspirational*, to be *compassionate* in all circumstances, to deliver *excellent* quality sessions, and to be *intentional* in building relationships and sharing the gospel with young people every day and to show *integrity* in our decision making at all times. KICK are currently working with over 100 schools and have established 30 KICK Academies. Our staff team has more than doubled over the last 2 years with KICK now employing over 90 staff. As an organisation we are engaging with over 28,000 young people every week and come closer to achieving our mission as we reach more and more young people.
